THE TAXI-DANCE HALL

By PAUL G. CRESSEY

$3.00

". . . . the actual scene of the taxi-dance hall, the nature and the problems of its employees and its patrons, the economic backgrounds of the girls, the stages of their retrogressive career in the profession, the nature of their professional practices and their commercial tricks and wiles—all these matters Mr. Cressey and his assistants, working for the Juvenile Protective Association, have covered most efficiently and with the human sympathy and realistic understanding essential to effective social work. . . . .

"The recommendations for supervision and for constructive regulation offered in this volume seem sane and well considered. The greatest significance of *The Taxi-Dance Hall* lies, however, in the fantastic picture, the reality stranger than most fiction concerning our contemporary institutions, which it presents. . . . ."—WILLIAM SOSKIN, *New York Evening Post.*

Especially important is Mr. Cressey's discussion of the racial problems created by Filipino-white social contacts.

In the "University of Chicago Sociological Series"

THE UNIVERSITY OF CHICAGO PRESS

"This book proves . . . . that sociological documents are not necessarily dull . . . . anyone who has lived in Mineville, or any of its thousand prototypes, will recognize here the authentic note, the multiple details which make the American small town a unique institution. The book is the result of a scientific experiment in the field of humanity, but it contains material for a dozen novels."—*The Forum.*

SMALL-TOWN STUFF

By ALBERT BLUMENTHAL

The private life of the small town, its vices and virtues and surprising complexity.

$4.00
